

Program Area: Outreach

Native Garden

Volunteer planting & seed collection

Planting Location

Key Benefits

- Office visibility
- New name promotion
- Native plant demonstration
- Disguising an ugly building

Office Visibility

Project Goals

Installation and maintenance of an all-season native plant display facing Dixie Highway. The garden will have our new name and logo. Its colorful appearance will demonstrate attractiveness of native flowers and brighten up the drab appearance of the building at 7150 Dixie Highway.

Project Phases

Phase	Description	Cost
1	Design a full season display	Completed
2	Obtain landlord approval	\$40 Completed
3	Pre-order plants and seeds	\$1,500 Completed
